

Barack Obama Quick Into Hell

Monday January 19, 2009

Psalms 55:15 epitomizes what I think about Barack Obama and what David would have thought about him. Psalms 55:15 "Let death seize upon them, and let them go down quick into hell: for wickedness is in their dwellings, and among them."

I've had people say I need to have more compassion & our church needs to have more compassion for him. He is going to be responsible for the death of thousands of babies every year due to partial-birth abortion. I should have compassion on someone who wants to allow the slaughter of babies. I suppose I should have compassion on the child rapists & on Adolf Hitler, etc....

People are very ignorant especially many Christians. I AM NOT praying for Obama to be blessed by God. I hope he dies quickly & another takes the office of the Presidency.
